Dear Resident/Business Owner,

Energy plays a critical role in our day-to-day lives and ensures the well-being of our community. That's why we are investing in infrastructure upgrades that will help us to provide safe and reliable natural gas to our customers for years to come.

We will be working in your neighborhood.

National Grid and **Feeney Brothers Excavation** will be performing infrastructure upgrades in the area of **the intersection of Riverside St and N Beacon St, Watertown, MA.**

Date: On or about **July 28, 2020**

Completion time: Approximately **August 12, 2020**

Construction days and hours: 7:00 p.m. - 5:00 a.m. **Monday and Wednesday Nights.**

What you can expect during construction.

Typical natural gas main replacement and service construction includes:

- Marking out underground utilities within the project scope area (e.g., water, sewer, gas, electric, etc)
- Excavation of the street and laying of new gas main
- Temporary or permanent restoration of disturbed areas in accordance with the town ordinance

Visit ngrid.com/mainline to view a video about the gas main replacement process on YouTube.

We're here for you if you have any questions about the project. Please call us at **781-907-4650**. Thank you in advance for your cooperation.

Sincerely,

Robert Obi-Tabot
Director of Construction NE
