Dear Resident and Abutters of Mount Auburn Street,

The Department of Public Works would like to inform you that our contractor, C. Naughton Corp. will be working, *WEATHER PERMITTING*, Wednesday, September 5, 2018 to replace a fire hydrant on your street. This work will require the shutdown of the water main in your area.

Water service will be shut down from 7:00 PM to 12:00 AM. Please make arrangements to store water for drinking and cooking during these hours. The Department will try to minimize the amount of time that service will be discontinued to perform this work.
