COMMON STREET ROAD CONSTRUCTION NOTICE

COMMON STREET, FROM MT. AUBURN ST. TO ORCHARD ST. INCLUDING INTERSECTIONS
COLUMBIA STREET (TO ROBBINS ROAD)
KATHERINE ROAD (TO CHURCH STREET)
ORCHARD STREET EXTENSION
SPRING STREET (MARION TO COMMON STREET)

The Common Street project is scheduled to begin this season's construction on Common Street on **Monday, April 8th**.

Initial work is anticipated to consist of drainage and water system improvements and be focused on Katherine Road and the upper portion of Common Street (from Columbia Street to Orchard Street). Additional initial work includes traffic signal conduit installation at Spring Street. Work may proceed within any portion of the project area. We will provide updates as the various phases of work begin.

- Typical work hours will be 7 AM to 4 PM.
- Expect detours, road closures, and delays in the work area, with local access to residents only.
- You will be notified by the Contractor prior to any work that affects access to your driveway. Driveways may remain closed up to three days to permit the concrete to cure.
- Please note that there may be lapses in time between drainage installation, road repaving, curbing installation, sidewalk excavation, etc. due to different crews performing different phases of work.
- The Watertown Police will be informed of the construction and its effects, including the need for extended on-street parking due to driveway repairs.

We understand that the process is noisy, messy and disruptive and apologize in advance for any inconvenience you may experience. We know you will enjoy the improved appearance and condition of Common Street for many years in the future.

Please contact DPW at 617-972-6420 if you have any questions or concerns.

Gerald S. Mee, Jr. Superintendent
