## TEMPORARY PAVING

Dear Residents and Abutters of Avon Road and Sunset Road,

The Town's Contractor, Commonwealth Construction and Utilities, Inc. will begin paving Avon Road **TOMORROW, Tuesday, November 26, 2019**. The entire road surface will be overlaid with a layer of asphalt. The utility work will then wrap up with sidewalk repairs and other site clean-up activities.

To expedite the work, we ask that you park outside of the work area during the working hours of 7 AM to 3:30 PM, as there may be intermittent driveway impacts.

Avon Road is still scheduled for full reconstruction next year and the work is currently out to public bid.

**If you have any questions or concerns regarding this project, contact the Watertown Department of Public Works at (617) 972-6420.**

The Town of Watertown thanks you for your cooperation.

Sincerely,

Gerald S. Mee, Jr.  
Superintendent
