IMPORTANT NOTICE

May 14, 2020

Dear Residents/Businesses of Cross Street, Main Street, Hunt Street, Maple Street and Pond Street;

The Department of Public Works and our contractor, Lorusso Corporation, will be milling marked sections of these streets, **WEATHER PERMITTING**, on Monday and Tuesday, May 18 and May 19, 2020. Shortly thereafter, crews will be adjusting road castings and the street will be paved. You will be notified prior to paving.

These streets will be closed to motor vehicle traffic during the milling process which entails cutting off a 1.5 inch deep section of the roadway. Please park your motor vehicles out of the construction area on the intersecting side streets if necessary.

Please do not park your car on the street during the milling process. Vehicles not removed from the street by 7:00 am, will be towed, per order of the Department of Public Works. The Watertown Police will be informed of the construction and its effects.

We understand that the process is noisy, messy and disruptive and apologize in advance for inconvenience you may experience. We know you will enjoy the improved appearance and condition of your roadway for many years in the future.

Should you have any questions, please call the office at 617-972-6420.

**All work will follow the Commonwealth of Massachusetts
COVID-19 GUIDELINES AND PROCEDURES
FOR ALL CONSTRUCTION SITES & WORKERS AT ALL PUBLIC WORKS PROJECTS**

Sincerely,

Gerald S. Mee, Jr.
Superintendent of Public Works
