Dear Businesses and Residents of Cross Street, Main Street, Hunt Street, Maple Street and Pond Street:

The Department of Public Works and our contractor, Lorusso Corp, will be installing the final asphalt wearing surface on your street, **WEATHER PERMITTING**, on Tuesday, May 26, 2020.

The street will be closed to motor vehicle traffic during this paving process. Please park any motor vehicles out of the construction area on the intersecting side streets if necessary.

Vehicles not removed from the street by 7:00 am, will be towed, per order of the Department of Public Works. The Watertown Police will be informed of the construction and its effects.

We understand that the process is noisy, messy and disruptive and apologize in advance for inconvenience you may experience. We know you will enjoy the improved appearance and condition of your roadway for many years in the future.

Should you have any questions, please call the office at 617-972-6420.

All work will follow the Commonwealth of Massachusetts
