COMPLETE STREETS IMPROVEMENTS WARREN STREET AT CUNNIFF ELEMENTARY SCHOOL

Dear Residents and Abutters of Warren Street:

Please be informed that Onyx Corporation will be performing construction work on Watertown Street, between Chapman Street and Cleveland Road to implement Complete Streets improvements at Cunniff Elementary School. A schematic of the work, which includes, curb, sidewalk, accessible ramps and other safety improvements, is available at: <https://www.watertowndpw.org/DocumentCenter/View/602/Warren-Street-Raised-Crosswalk>

- Work is scheduled to begin the week of June 8, 2020.
- Typical work hours will be 7 AM to 4 PM.
- Vehicular traffic in both directions will be maintained, however expect delays in the work area.
- Parking restrictions will be in place and enforced in the work area during working hours.
- Please note that there may be lapses in work due to different crews performing different phases of work. General schedule updates will be available at: <http://www.watertowndpw.org/191/Annual-Road-Program>
- The Watertown Police will be informed of the construction and its effects. Police details will be present during work hours.

COVID-19 Information: DPW continues to evaluate its projects and potential impacts to residents, staff, and contractors. Most DPW projects involve small construction crews (under 10 workers) and take place outdoors. We are advising contractors and will be scheduling work such that if conditions change and orders to stop work are issued, that projects can be cleaned up and shut down on short notice in a safe and orderly manner.

If you have any questions or concerns regarding this project, contact the Watertown Department of Public Works at (617) 972-6420.

Sincerely,

Gerald S. Mee, Jr., Superintendent
